

**NJSC “FARABI UNIVERSITY”
FACULTY OF BIOLOGY AND BIOTECHNOLOGY
DEPARTMENT OF MOLECULAR BIOLOGY AND GENETICS**

**INFORMATION LETTER OF THE INTERNATIONAL SYMPOSIUM
“GENETICS AND BREEDING: FROM SCIENTIFIC HERITAGE TO FUTURE
FRONTIERS” DEDICATED TO THE 120TH ANNIVERSARY OF ACADEMICIAN
GAKASH ZAKIEVICH BIYASHEV**

Dear colleagues!

We invite you to participate and present a paper at the International Symposium **“Genetics and Breeding: From Scientific Heritage to Future Frontiers”** dedicated to the 120th anniversary of the scientist-geneticist, plant breeder, Kazakh SSR AS academician, Doctor of Agricultural Sciences, Professor, Honored Scientist of the Kazakh SSR, founder of the Department of Molecular Biology and Genetics Gakash Zakievich Biyashev

The international symposium will take place on October 16, 2026, in auditorium 409 of the Farabi Library, Farabi University.

We look forward to hearing from you soon!

Organizing Committee

Organizers of the international symposium:

NJSC “Farabi University”

Research Institute for Problems of Biology and Biotechnology

Faculty of Biology and Biotechnology

Department of Molecular Biology and Genetics

Organizing Committee:

Tuimebayev Zhanseit Kanseituly – Chairman of the Board – Rector, NJSC “Farabi University”, Doctor of Philological Sciences, Professor;

Ibraimov Margulan Kasenovich – Member of the Board – Vice-Rector for Scientific and Innovative Activities, NJSC “Farabi University”, PhD, Associate Professor;

Tastambek Kuanysh Talgatovich – Head of the Department of Science and Innovation Activities, NJSC “Farabi University”, PhD, Associate Professor;

Narmuratova Meiramkul Khudretovna – Dean of the Faculty of Biology and Biotechnology, Candidate of Biological Sciences, Associate Professor;

Zhunusbayeva Zhazira Kabulovna – Head of the Department of Molecular Biology and Genetics, Candidate of Biological Sciences, Associate Professor;

Biyasheva Zarema Maratovna – Candidate of Biological Sciences, Associate Professor of the Department of Molecular Biology and Genetics;

Bissenbaev Amangeldy Kuanbaevich – Head of Research Institute of Problems of Biology and Biotechnology, Doctor of Biological Sciences, Professor of the Department of Molecular Biology and Genetics, Academician of the National Academy of Sciences of the Republic of Kazakhstan;

Turuspekov Yerlan Kenesbekovich – Head of the Laboratory of Molecular Genetics, RSE on REM “Institute of Plant Biology and Biotechnology” CS MSHE RK, President of the Kazakhstan Society of Geneticists and Breeders, Doctor of Biological Sciences, Professor of the Department of Botany and Agroecology, Academician of the National Academy of Sciences of the Republic of Kazakhstan;

Bigaliev Aitkhazha Bigalievich – Doctor of Biological Sciences, Professor of the Department of Molecular Biology and Genetics, Academician of the International Academy of Informatization, Regular member of the Academy of Higher School of Kazakhstan;

Boguspaev Kenzhe-Karim Kasym-Karimovich – Head of the Laboratory of Ecological Biotechnology of the Research Institute of Ecological Problems, Doctor of Biological Sciences, Professor of the Department of Biotechnology;

Mynbayeva Dana Omarovna – PhD, Senior Lecturer, Deputy Head of the Department of Molecular Biology and Genetics for Scientific and Innovative Activities and International Cooperation;

Zhussupova Aizhan Izbasarovna – PhD, Associate Professor-Researcher of the Department of Molecular Biology and Genetics;

Kuanbai Aigerim Kurmanbekkyzy – PhD, Senior Lecturer of the Department of Molecular Biology and Genetics.

International Scientific Committee:

Biyashev Ruslan Maratovich – Research Manager, The Virginia Polytechnic Institute and State University (Virginia Tech), Blacksburg, USA;

Serikbay Karimovich Abilev – Doctor of Biological Sciences, Professor of the Department of Genetics, Faculty of Biology, Lomonosov Moscow State University, Head of the Genotoxicology Research Group, N.I. Vavilov Institute of General Genetics, Russian Academy of Sciences, Russia;

Danilenko Valery Nikolaevich – Doctor of Biological Sciences, Professor, Advisor to the Rector of Caspian University, Honored Worker of Science of the Russian Federation, Head of the Department of Genetic Foundations of Biotechnology, N.I. Vavilov Institute of General Genetics, Russian Academy of Sciences, Russia;

Zhimulev Igor Fedorovich – Academician of the Russian Academy of Sciences, Doctor of Biological Sciences, Professor, Scientific Director of the Institute of Molecular and Cellular Biology of the Siberian Branch of the Russian Academy of Sciences, Novosibirsk, Russia;

Kolesnikova Tatyana Dmitrievna – Doctor of Biological Sciences, Principal Investigator, Laboratory of Molecular Cytogenetics, Institute of Molecular and Cellular Biology of the Siberian Branch of the Russian Academy of Sciences, Novosibirsk, Russia;

Demakov Sergey Anatolyevich – Candidate of Biological Sciences, Head of the Laboratory of Molecular Cytogenetics, Institute of Molecular and Cellular Biology of the Siberian Branch of the Russian Academy of Sciences, Novosibirsk, Russia;

Dzhansugurova Leila Bulatovna – Candidate of Biological Sciences, Professor, Department of Molecular Biology and Genetics, Principal Investigator, Laboratory of Population Genetics, RSE on REM “Institute of Genetics and Physiology” CS MSHE RK;

Beginbetova Dinara Aitbaykyzy – PhD, Leading Researcher, Laboratory of Molecular Oncology, National Laboratory Astana, Nazarbayev University, Kazakhstan;

Usenbekov Bakdaulet Naubaevich – Candidate of Biological Sciences, Associate Professor, Department of Molecular Biology and Genetics, Head of the Laboratory of Plant Physiology and Biochemistry, RSE on REM “Institute of Plant Biology and Biotechnology” CS MSHE RK;

Gritsenko Dilyara Aleksandrovna – PhD, Associate Professor, Department of Molecular Biology and Genetics, Head of the Laboratory of Molecular Biology, RSE on REM “Institute of Plant Biology and Biotechnology” CS MSHE RK.

Editorial board:

Biyashev Ruslan Maratovich – Research Manager, The Virginia Polytechnic Institute and State University (Virginia Tech), Blacksburg, USA;

Aytasheva Zaure Gainetdinovna – Doctor of Biological Sciences, Professor of the Department of Molecular Biology and Genetics;

Mynbayeva Dana Omarovna – PhD, Senior Lecturer, Deputy Head of the Department of Molecular Biology and Genetics for Scientific and Innovative Activities and International Cooperation;

Zhussupova Aizhan Izbasarovna – PhD, Associate Professor-Researcher of the Department of Molecular Biology and Genetics;

Kuanbai Aigerim Kurmanbekkyzy – PhD, Senior Lecturer of the Department of Molecular Biology and Genetics.

Smekenov Izat Temirgalievich – PhD, Senior Lecturer in the Department of Molecular Biology and Genetics.

Moderator: **Aytasheva Zaure Gainetdinovna** – Doctor of Biological Sciences, Professor of the Department of Molecular Biology and Genetics

The International Symposium “**Genetics and Breeding: Scientific Heritage and Horizons of Development**,” dedicated to the 120th anniversary of the outstanding geneticist and plant breeder, Academician of the Kazakh SSR Academy of Sciences, and founder of the

Department of Molecular Biology and Genetics, G.Z. Biyashev, will become an international platform for discussing modern achievements in various areas of genetics and breeding, integrating fundamental and applied research, strengthening scientific cooperation, and finding innovative solutions that contribute to the achievement of the [Sustainable Development Goals](#).

Date of the event: October 16, 2026

Venue: Auditorium 409 of Farabi Library

Working languages of symposium: Kazakh, Russian, English

Time: 10:00-15:00

Registration: 9:00-10:00

Format: hybrid (offline+online, Zoom)

Symposium tracks:

1. Artificial mutagenesis and breeding, including radiobiology
2. Ecological genetics
3. Molecular genetics, biotechnology and genetic engineering

Scientific reports of theoretical and applied nature in the field of genetics and interdisciplinary research may be presented at symposium.

The following formats of participation are envisaged: 1) listener (offline or online); 2) oral presentation (offline or online) with or without publication of an article in the symposium [proceedings](#) (here and hereinafter it is noted that the GSHF2026 symposium is organized within the framework of the [IFBioSciFU 2026 forum](#)), indexed in Scopus; 3) poster presentation (offline or online; the template is available on the [IFBioSciFU 2026 website](#)) with or without publication of an article in the symposium [proceedings](#) indexed in Scopus; 4) publication of an article in the symposium [proceedings](#) indexed in Scopus without oral or poster presentation.

All speakers of symposium will be included in the symposium program, which will be available on the [IFBioSciFU 2026 website](#), and will receive a certificate of participation. Participation in the symposium is free. In order to participate in symposium please register here: [Registration for symposium](#).

The registration fee charged for publishing an article in the symposium proceedings is \$250. Symposium [proceedings](#) are planned to be published in a scientific journal indexed in the open-access scientific database Scopus “BIO Web of Conferences” in December 2026. To submit a paper within symposium, please register and submit your materials via the [IFBioSciFU 2026 website](#) till October 31, 2026.

The quality of the materials is the responsibility of the authors. The organizing committee reserves the right to reject materials submitted outside the main focus of the symposium and that do not meet the requirements listed on the [IFBioSciFU 2026 website](#). The organizing committee will not edit the text of the papers. Not more than two publications are accepted per author.

The best paper by young scientists (based on the results of the review by a commission comprising members of the Organizing Committee and the International Scientific Committee) will be recommended for free publication in symposium [proceedings](#).

Procedure of participation

To participate in symposium (all forms of participation), you must complete the registration form by October 1, 2026, at the link: [registration for symposium](#).

Presenters, including poster presenters, must submit an abstract (not more than 200 words) and a short biography (not more than 150 words) in English in Word format with a photograph to GSHF2026@gmail.com. A decision on acceptance will be made within one week of submission. A template for the abstract and biography can be downloaded here: [template](#) and is also presented attached in the Appendix 1.

For any questions, please contact the organizers by e-mail at GSHF2026@gmail.com.

Full Name

Position:
Organization:

Title of the Presentation:

«12 pt, Times New Roman»

Biography:

Short Biography (maximum 150 words)

Dr./Mr./Ms. Full Name is a position (e.g., Associate Professor, PhD Candidate, Research Scientist) at Department, University, Country. Their research focuses on key areas (e.g., neurolinguistics, cognitive neuroscience, bilingual language processing). They have participated in national/international research projects and published in peer-reviewed journals. Their current work investigates brief description of current research interests. (Optional: Mention awards, grants, leadership roles, or major collaborations.)

Abstract: (maximum 200 words)

Write your abstract here in a single paragraph (Times New Roman, 12 pt, single spacing). The abstract should briefly introduce the research problem, state the objective of the study, describe the methodology, summarize the main results, and conclude with the theoretical or practical significance of the findings. Avoid citations and abbreviations where possible. The text should be clear, concise, and informative.

Participation procedure

Speakers, including poster presenters, are required to submit a photo, an abstract (no more than 200 words), and a short biography (no more than 150 words) in English, in Word format, along with a photograph, by email to GSHF2026@gmail.com.

For all inquiries, please contact the organizers by email GSHF2026@gmail.com.

The deadline for abstract submission is 1 October.
